ORAL ORDER

Perused the special civil applications.

These writ petition are wholly misconceived at this stage. Only a show cause notice has been given to the petitioners under Section 37 of the Gujarat Municipalities Act, 1960. The petitioners have opportunity to raise all the points raised in this special civil application while giving reply to the said notice. Instead of approaching to this Court, the petitioners should have waited for final decision in the matter given by the authority concerned.

These special civil application are dismissed.
